

Houston THETAS

May 17, 2021

Hello Theta Alumnae Sisters!

Greetings! As we transition into a new year, I invite you to join your fellow Theta sisters by renewing your annual Houston Alumnae Chapter membership OR **by joining us for the first time**. It's been a challenging year and I am sure we all look forward to reconnecting, being together in person and creating a 'new normal'!

We are reaching out to those whom we haven't had the pleasure of meeting yet, those who have been members (or not) and any newcomers to the Houston area. And of course, recent Theta graduates! So please spread the word.

The Houston Alumnae chapter is the largest chapter in the US, and we hope you will join us for a year of bonding, and a variety of fun and interesting activities and programs. It's also a great place to make new friends, network, learn and solidify old friendships.

While our year typically starts in the fall, we'll start a month earlier with a special service event supporting our National philanthropy Child Advocates, with their local Childspree event on August 14th. More details to follow but please save the date. Other dates can be found on our website calendar and will be updated throughout the year.

Our programs will be varied – including topics like Travel, Design, Leadership, etc. and will be based upon your input. So please take a few minutes to fill out the Membership and Interest forms. You can either send the forms back via mail or submit online [here](#). We kindly ask everyone to respond along with their dues by July 1, so that we can include you in our Directory. Speaking of which, many of you asked to bring the printed version back, so we are giving you the option of keeping it paperless or having it printed (see Membership form).

I look forward to seeing you this fall to create new memories, friendships and links that bind us. Wishing you and your families a happy and safe summer!

Loyally,

Monisa Cline
President, Houston Alumnae Chapter 2021-2022
Delta Theta, University of Florida
